Networking & Nibbles

Once you arrive at The Precinct, you'll need to check in with a member of the BOP Team at the registration desk. From 5pm - 6pm, there will be some light food & refreshments for you to enjoy.

During this time, you're invited to check out the sponsor activations and connect with the Next Gen Awards judges, sponsors, other finalists and guests.

The Awards

At 6pm, we will welcome everyone into the stair stadium to take their seats. You're welcome to sit wherever you like. However, if you're a finalist, we'd recommend finding a spot that provides the easiest access to the stage.

Our MC will welcome everyone to the awards and we'll kick off the evening with an opening speaker. From here, we'll begin announcing our award winners. For each award category, we'll begin by watching a video message from the judging panel, sharing their insights from the experience, followed by the video submissions from our finalists, explaining their projects and why they deserve to win.

We will then announce the winner, who will join us on the stage to collect their trophy, certificate and prizes. Our photographer will be there to capture photos and will take a photo of the winners on the stage.

General FAQs

What If I Win And I Can't Attend In Person?

If this is the case, our MC will announce you as the winner and acknowledge that you're unable to attend in person. Our team will ship your trophy and prizes to your address.

Does The Winner Need To Make A Speech?

To ensure we get through all of our awards, we won't have any speeches from our winners or finalists.

Can I Take Photos Or Videos During The Ceremony?

We will have our fabulous photographer taking photos during the ceremony, therefore, we ask that you please don't take any photos at this time. We will have a photo wall in the foyer area, which you are welcome to take photos at before and after the ceremony. These photos will be shared with attendees after the event.

Is There Reserved Seating For Finalists?

To ensure that everyone is comfortable with their seating arrangements, we have not reserved or assigned seats. We do recommend that finalists sit somewhere where they can easily access the stage.

What Time Should I Arrive At The Venue?

Networking and Nibbles is from 5pm. However, if you're running late or have other commitments, the awards ceremony will start at 6pm, we would recommend arriving no later than 5:45pm.

What Is The Dress Code?

We encourage you to wear formal attire or school uniform.
